

**Remarks**

The preceding claim amendments and the following remarks are submitted as a full and complete response to the Quayle Action issued on June 16, 2010. Claims 4 and 6 have been cancelled without prejudice to filing a divisional application. No new matter has been added. Accordingly, claims 1-3 and 5 are pending. Reconsideration is respectfully requested in view of the foregoing amendment and following remarks.

**Objection to the Drawings**

The Patent Office has objected to the drawings for formalities reasons. In response, Applicants hereby submit amended replacement drawing sheets for Figures 1-3, which are believed to fully address these objections. Therefore, reconsideration and withdrawal of this objection is respectfully requested.

**Election/Restriction**

The Patent Office has stated that this application is in condition for allowance except for the presence of claims 4 and 6 directed to an invention non-elected with traverse. Claims 4 and 6 have been cancelled in accordance with the Examiner's suggestions on page 3 of the Office Action, obviating this issue.

Respectfully submitted,

By

George R. Repper
